Dear Joe:

I am very pleased to recommend you and your team Restaurant Consultants to other potential clients as you have been an invaluable part of my team in building KFC, Taco Bell, Pizza Hut, Long John Silvers and A&W Root Beer restaurants in my tenure with YUM! Brands Inc. over the past 10 years.

Your experience and knowledge has proven time and again to be the key that has opened the gate towards successful restaurant openings. I think of the times in which we were told it couldn't be done and then you proved that it could and would.

I am especially excited about working with you again as we work toward helping other individual and corporate restaurant entities move through the site selection, zoning, permitting and construction processes.

Thanks for your continued service and support. I wish you much success as you continue to build great restaurants and relationships.

Sincerely,

Joe Celento- Realtor
