Dear Joe,

I would like to thank you for the past five years of consulting service that you have performed for our firm on various restaurant projects. Your assistance with Yellowfin Steak & Fish House in Annapolis, Maryland, Big Fish Grille in Crofton, Maryland, and Red Sky Steak & Fish House in Laurel, Maryland, was invaluable to our firm and to the overall success of each of these restaurants.

You and your staff are very specialized and your response time is very proficient. Your design insights are incredibly creative. Overall, your tremendous knowledge of the restaurant business has been a great asset to the projects we have worked on together as a team. I look forward to working with you in the future on other projects and greatly appreciate your professionalism.

Sincerely,

Catherine Purple Cherry, AIA
